TO WHOMSOEVER IT MAY CONCERN

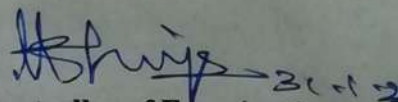

Mepco Schlenk Engineering College has adopted the Credit System of Evaluation awarding Letter Grades for all the Degree Programmes. Under **MEPCO R2015 Regulations**, the students are given a Grade Sheet at the end of each Semester, containing the following letter Grades;

$$O = 10, A+ = 9, A = 8, B+ = 7, B = 6$$

If a student fails in a course, he/she is awarded 'RA' grade. In addition, 'SA' grade is given for shortage of attendance, 'W' grade for withdrawal and 'AU' grade for audit course. 'RA', 'SA', 'W' and 'AU' grades do not carry any credit points. The GPA (Grade Point Average) for each semester is calculated according to the grades and the credits earned by the student in that particular semester. Also the CGPA (Cumulative Grade Point Average) at the end of each semester is calculated by taking into account the Grades and the Credits earned by the student in the courses up to that semester.

The final CGPA (Cumulative Grade Point Average) is calculated at the end of the programme taking into account the Grades and the credits earned by the student in all the courses of the Degree Programme in all semesters. The overall performance of the student is indicated by the CGPA on a 10-point scale. To get the performance in mark system, the overall CGPA shall be multiplied by 10.

Mr. Dhanush Kumar P S, Reg.No.201506006 completed his B.Tech. - Information Technology degree programme at our College which affiliated to Anna University, Chennai in May 2019 and obtained the **CGPA of 7.24** and this indicates the overall performance of **72.4%** in this degree programme.
